No.	REQUEST FOR CLARIFICATION.	RUJWASCO RESPONSE
1.	<p>Could you consider changing the criterion MR 17 that asks bidders to show they have a minimum Paid-up Capital of KES 700 million for both 2021 and 2022? This requirement might be unfair and exclude some capable bidders, leading to less competition and higher premiums.</p>	<p>RUJWASCO responds as follows.</p> <p>Ruiru Juja Water and Sewerage Company herein referred to as (RUJWASCO) wishes to provide clarification on criterion MR 17, which previously required bidders to present evidence of a paid-up capital of KES 700 million for the years 2021 and 2022 or more, but not less than the specified amount. It is hereby amended to state:</p> <p><b><i>"Bidders are now required to provide evidence of a paid-up capital of KES 600 million for the years 2021 and 2022 or more, but not less than the amount specified."</i></b></p>

All terms and conditions of the tender, except those explicitly modified in this addendum, remain unaltered. Bidders who have previously submitted their tender documents and wish to make amendments before the tender closing date and time (04th March 2024 at 1000hrs) can do so by submitting additional documents clearly labeled as "amendment/addition to the Tender for Provision of Medical Insurance Cover - REF No. RUJWASCO/T/ (107)2023-2024."
